When you partner with the National Inventors Hall of Fame® (NIHF), you are supporting more than just an event.

True to our mission to recognize inventors and invention, promote creativity and advance the spirit of innovation, NIHF connects the inventors who have built the world around us with the next generation of innovators.

Your support will extend beyond the Induction events, as we share Inductees’ stories with more than 165,000 children through our education programs and develop interactive exhibits for the NIHF Museum.

Visit invent.org/induction for more information.

Please contact sponsor@invent.org or call 800-968-4332 (option 6) to discuss partnership opportunities.
Event Overview

Be a part of The Greatest Celebration of American Innovation® and join NIHF to honor, celebrate and meet the world’s greatest inventors!

Since 1973, NIHF has celebrated visionary inventors whose patents, passion and perseverance have contributed significantly to the progress of society.

Held in partnership with the United States Patent and Trademark Office, the Induction Ceremony is the event of the year for leaders in innovation.

Your organization will take center stage at this two-day event – showcased as a leader in honoring the new class of Inductees, while inspiring creativity in the next generation of innovators.

Join in the celebration and become a partner for the 48th Annual National Inventors Hall of Fame Induction Ceremony.

Why Sponsor

This elegant, two-day affair is the beginning of your partnership with the country’s foremost nonprofit building strategic connections with industry leaders and leading the innovation movement in our country.

Invaluable Partnership Benefits

Co-marketing opportunities provide you with brand exposure at the event and at the NIHF Museum. NIHF also offers collaborative support to highlight your brand through original digital and social media content and traditional news coverage.

“CONNECTIVITY CHANGES EVERYTHING” EXHIBIT

Discover the innovators behind inventions that have changed the way we communicate, transitioning from dropped calls to today’s 5G technology.

Qualcomm

“1ST & TEN LINE STADIUM” EXHIBIT

Several game-changing innovators have impacted sports. Inductee Stan Honey’s invention of the Virtual Yellow 1st & Ten® line is brought to life in this exhibit.

SMT Changing the Game
The United States Patent and Trademark Office promotes American innovation – the driving force of our 21st-century economy in many ways. One of those ways involves honoring and recognizing our nation's foremost innovators annually at the National Inventors Hall of Fame® (NIHF) Induction Ceremony.

The United States Patent and Trademark Office has been a proud partner of NIHF since co-founding the nonprofit in 1973. NIHF is dedicated to honoring legendary inventors who have changed the world and improved the human condition.

Please visit invent.org/induction for more information about the 48th Annual Induction Ceremony and The Greatest Celebration of American Innovation®.

The NIHF Induction events offer a unique opportunity to meet and share an evening with our nation's IP and innovation community, as well as the world's greatest inventors who have positively influenced society through innovation and perseverance.

We hope you and your colleagues will join us and the country's most innovative corporations and IP leaders for this world-class event.

Sincerely,

Andrei Iancu
