DEAR ____________________________,

I know a hero, a big superstar. They wear a disguise but I know who they are.

They’re super cool, they’re a hero no doubt. Nobody tell them I figured it out!

They help me to learn and they help me to grow. They taught me about ________________, and now I know!

And since you’re cool and super smart too, You probably figured out that this poem’s about you!

Thank you for teaching me!
