

EXPECTATIONS OF EVERY LEADER-IN-TRAINING (LIT)

- **Be prepared:** Before your camp starts, take time to review the helpful resources provided.
- **Show appropriate behavior:** Make sure to listen carefully, follow directions and take responsibility for your actions. You are asked to stay off your phone, use proper language for a school setting and be polite to everyone you encounter. Remember: You are a role model for campers!
- **Take initiative:** Offer a helping hand to Instructors as they work to set up experiences and move from one activity to the next. Ask meaningful questions to campers to encourage creative thinking and self-reflection. If you don't know the answer to something – ask! Your local Program Team is there to help you as you discover what it takes to be a great leader.
- **Have fun and stay engaged:** The best way to learn is by being an active participant. We want you to be a positive force at Camp Invention® by taking ownership of your experience. We're happy to have you on the team!
