

INDUCTION CEREMONY

ANNOUNCING THE 2026 CLASS OF INDUCTEES

In partnership with the United States Patent and Trademark Office (USPTO), the latest National Inventors Hall of Fame® (NIHF) class of world-changing Inductees has been announced.

Each year, the National Inventors Hall of Fame selects a new class of Inductees through a process that accepts nominations from all sources and relies on a panel of experts in the fields of science, technology, engineering and intellectual property to screen, vet and make final selections.

LIVING:
