TERMS & CONDITIONS:

Acceptable Behavior Policy: *To ensure a safe and fun environment for all, children are expected to behave in an acceptable manner and use appropriate language at all times. It is important to remember that there are no refunds if a child is asked to leave the program due to unacceptable behavior.*

Accommodations: *The National Inventors Hall of Fame programming presents children with fun, hands-on challenges that encourage creative problem solving, teamwork, entrepreneurship, and innovation. Please keep in mind locations hosting summer/after-hours programs do not have the same personnel/tools available as during the school year. *Nurses, special education assistance, aides, etc., are not on site unless a parent arranges an approved accommodation beforehand based on their individual child needs.*

If your child's needs are not self-managed, please contact us at 800-968-4332 to discuss accommodations a minimum of 4 weeks prior to the start date of your child's program. If 1:1 assistance is requested, we will provide you with a form to submit any necessary information. All reasonable accommodation requests will be reviewed to ensure safety and program integrity.

Refund Policy: *For Camp and Invention Project, \$50 of each registration fee is nonrefundable, and the remaining balance is refundable up to 11:59 pm ET on the Sunday three weeks prior to the start date of the program. Cancellations made after this time are nonrefundable, as materials and educator costs are allocated and final. Please keep in mind as long as there is availability, you may switch programs up to one week prior to the beginning of the originally registered program. Club registrations are nonrefundable.*

Emergency Treatment Authorization: *You hereby authorize the diagnosis and treatment by a qualified and licensed medical professional, of your child, should a medical emergency occur, which the attending medical professional believes requires immediate attention to prevent further endangerment of the minor's life, physical disfigurement or impairment, or undue pain, suffering or discomfort, if delayed. Permission is granted to the attending physician to proceed with any examination, diagnosis and medical or minor surgical or other treatment. In the event of a medical emergency you understand that every attempt will be made by the attending physician to contact you in the most expeditious way possible. The authorization is granted only after a reasonable effort has been made to reach you. Permission is also granted to the National Inventors Hall of Fame, Inc. and its affiliates to provide emergency treatment prior to the child's admission to the medical facility. This release is authorized for the duration of the registered session. This release is authorized and executed of your own free will, with the sole purpose of authorizing medical treatment under emergency circumstances, for the protection of life and limb of the named minor child, in your absence.*

Liability Waiver: *On your own behalf, and as parent or guardian, you acknowledge and agree that there is the possibility of physical injury or loss associated with your child's participation in the program and hereby release, discharge the National Inventors Hall of Fame, Inc., its affiliated organizations, employees and associated personnel including the owners of the program facility against any and all claims, liabilities and/or damages as a result of your child's participation in the program.*

CONFIRMATION: *By registering your child you have read and agreed to the Terms & Conditions of the program, which is required for your child to participate. The above agreed upon terms are also available at invent.org/terms.*
