

Camp Invention®

Invention Project®

Leadership Intern

Get ready to reinvent volunteering in the National Inventors Hall of Fame's® (NIHF) Leadership Intern program! Leadership Interns work closely with our Camp Invention® or Invention Project® participants to help them learn creatively and develop an innovative mindset to help invent a better tomorrow. Designed exclusively for high school and college students, our interns gain valuable experience to add on their college or job applications.

HIGHLIGHTS

- Earn 40 volunteer hours and strengthen college, scholarship or job applications.
- Mentor and inspire elementary and middle school children to be creative and to never give up.
- Gain valuable knowledge about Intellectual Property Literacy™ guided by the United States Patent and Trademark Office (USPTO).
- Receive a letter of recognition provided by the USPTO.
- Improve leadership and communication skills through interactions with parents, mentorship and time management skills.
- Learn entrepreneurial and intellectual property concepts through the lens of invention and innovation.

I have been given the opportunity to work for Camp Invention for the past three years. Each time, this opportunity ignites my passion for working with kids and helping others. Being a Leadership Intern at this camp serves as a wonderful opportunity to work with kids and get out into the community.
