

THE 47TH ANNUAL NATIONAL INVENTORS HALL OF FAME *Induction Ceremony*

Be a part of The Greatest Celebration of American Innovation™ as the National Inventors Hall of Fame® (NIHF) honors and celebrates the world's greatest inventors! Held in partnership with the United States Patent and Trademark Office (USPTO), the annual Induction Ceremony is the event of the year for leaders in innovation.

Your organization can be center stage at this two-day event — showcased as a leader in honoring the new class of Inductees, inspiring creativity in young students and challenging the next generation of American innovators.

Inductee Sumita Mitra, inventor of Nanocomposite Dental Materials, receives the official NIHF Inductee pin from Steve Sasson, inventor of the Digital Camera.

ILLUMINATION CEREMONY

MAY 1, 2019

National Inventors Hall of Fame Museum
USPTO Headquarters | Alexandria, Virginia

Inductee Steven Van Slyke, co-inventor of Organic Light-Emitting Diode (OLED), places his hexagon into the Gallery of Icons™, marking his inclusion into the Hall of Fame.

Durga Malladi (left), Qualcomm's Senior VP of Engineering, and Arogyaswami Paulraj (right), inventor of MIMO Wireless Technology.

INDUCTION CEREMONY

MAY 2, 2019

National Building Museum
Washington, DC

Inductee Eli Harari, inventor of Floating Gate EEPROM, celebrates his induction into the Hall of Fame.

INDUCTION PARTNERSHIP OPPORTUNITIES

When you partner with the National Inventors Hall of Fame, you are supporting more than just an event. The two-day Induction event is the start to a strategic partnership with the country's foremost nonprofit that cultivates relationships, builds strategic connections with industry leaders and leads the innovation movement in our country.

NIHF provides co-marketing opportunities through exposure at the Museum, and traditional and social media coverage highlighting the role partners play.
