

Camp Invention®

FAST FACTS

AND SOCIAL MEDIA TOOLKIT

DID YOU KNOW?

Each year, our Camp Invention® program hosts National Inventors Hall of Fame® Inductees.

Here are a few big names:

Eric R. Fossum

Inventor of CMOS
Image Sensor

Frances Ligler

Inventor of Portable Optical
Biosensors

Edmund O. Schweitzer III

Inventor of Digital Protective
Relay

Marshall Jones

Inventor of Industrial Lasers

“CURIOSITY AND EXPLORATION
ARE THE ESSENTIAL STARTING POINTS OF
INNOVATION. WE HAVE TO CULTIVATE THAT IN
OURSELVES, AND IN YOUNG CHILDREN, BECAUSE
THAT’S WHERE IT STARTS.”

– Sumita Mitra, NIHF Inductee and inventor of
nanocomposite dental materials

CAMP INVENTION OVERVIEW

The Camp Invention® program is the only nationally recognized, nonprofit summer enrichment program for rising K-6 students that is inspired by the brightest thinkers around — the Inductees of the National Inventors Hall of Fame® (NIHF). Children are empowered to have big ideas while they take on challenges that inspire them to question, brainstorm, collaborate with teammates and build amazing invention prototypes!

Explore, Camp Invention's 2022 program, sparks excitement and inspiration as children engage in hands-on challenges, discover world-changing inventors, and build their confidence as creators and innovators.

BECOME A SPONSOR

Join our commitment to inspire the next generation of curious minds to innovate. Contact us at sponsor@invent.org.

- Over 165,000 underserved children were impacted in 2021.
- For a full list of sponsors, including government support, [click here](#).

ANNUAL IMPACT 2021

235,000+
Students Served

32 YEARS
Leaders in STEM Education

2.7 MILLION
Children, Educators, College
Students & Inventors Impacted

2,400+
School & district partnerships
nationwide and in Puerto Rico

165,000+
Underserved Children

NEW ACTIVITIES
and curriculum created each year

ROBOTIC AQUATICS™

Children dive into cutting-edge ocean research as they adopt their own aquatic animal, design and patent aquatic plants, and take their new friend home in a mini tank.

NIHF'S THE ATTIC™

Campers combine science and art to build their own robotic artist, engage in design thinking, make spin art and learn how inventions can change the way people create.

SPACECATION™

Kids discover real space exploration technology when they create Spacepacks and Astro-Arm devices, mine an asteroid and observe erupting ice volcanoes.

MARBLE ARCADE™

Campers experiment with the fun of physics, engineering and gaming as they design, build and test their own mega marble arcades.

LET YOUR SOCIAL CIRCLE KNOW ABOUT CAMP INVENTION!

Like Camp Invention on Facebook

Campers will gain confidence and discover the power of their imaginations during the new @CampInvention program, Explore, as they dive into ocean research, make glow-in-the-dark lunar discoveries, and even build their own robotic artist and mega marble arcade. Learn more and register at invent.org/camp.

Let your child's imagination run wild as they build their own robotic artist, create a mega marble arcade, patent aquatic plants, make out-of-this-world discoveries and more at @CampInvention. Sign up today at invent.org/camp.

Your kids will be able to bring #STEM concepts to life through exciting, hands-on experiences as they build confidence and make friends at @CampInvention! Learn more and register at invent.org/camp.

NATIONAL INVENTORS HALL OF FAME

The National Inventors Hall of Fame® was founded in 1973 in partnership with the United States Patent and Trademark Office to honor the individuals who conceived, patented and advanced the greatest technological achievements of our nation. Since then, the organization has evolved to be the nation's leading nonprofit providing invention education programs, competitions and events. We believe our role as a Hall of Fame is to not only honor the individuals whose inventions have made the world a better place, but also to ensure American ingenuity continues to thrive in the hands of coming generations. This belief is what drives our mission: recognizing inventors and invention, promoting creativity, and advancing the spirit of innovation and entrepreneurship.
