Daily Kickoff 9:00 a.m. – 10:30 a.m.	<ul style="list-style-type: none"> Click HERE each day to join your Coach – a certified local educator – and fellow campers to discover the challenge of the day. Children will enjoy FUN icebreaker games and get excited as they make new friends! If your child cannot attend a live session, don't forget to check out the online Welcome Hub to access the Experience Pages to follow along for each activity! (The password to access each experience from the Welcome Hub can be found on the inside cover of each activity's Inventor Log.) 				
Create and Invent 11:00 a.m. – 12:00 p.m.	<ul style="list-style-type: none"> Get ready to tackle the daily challenge! Following a quick break, kids get back together online to make, create and invent. This is where your child's imagination will SOAR. 				
Break Time	<ul style="list-style-type: none"> Take a fuel break for children to stretch or dance and get some lunch! 				
Afternoon Hangout 1:00 p.m. – 1:30 p.m.	<ul style="list-style-type: none"> After the break, children will rejoin their team to dive back into those inventions and build friendships along the way! Is something not working the way your child planned? Don't give up! Investigate what is and isn't working to find new ideas! 				
Unplug and Get Outdoors 1:30 p.m. – 2:00 p.m.	<ul style="list-style-type: none"> How's the weather? Take activities OUTDOORS to uncover even more possibilities! Encourage your child to take their invention prototype to the next level by adding nature-inspired details. Can't get outside? Jam to our background beats so your child can dance and move while putting their inventions in action! 				
Collaborate and Share 2:00 p.m. - 3:00 p.m.	<ul style="list-style-type: none"> Regroup with the Coach and fellow inventors online to share creations and celebrate teamwork, innovation and ingenuity! Our open-ended activities are flexible and progressive, where possibilities are limitless. Children can choose to spend more time on a favorite challenge or revisit a previous activity they enjoyed at their <u>own pace</u>. Have them tinker away until ready then showcase their new inventions to friends and family! Don't let the fun of inventing end after Camp Invention — encourage your child to continue to build upon their ideas and creations for months (or years) to come!
