## 100-PLUS-WORD FOR NEW CAMPS

Camp Invention® is coming to **[SITE NAME]**!

We are thrilled to announce that the nationally acclaimed Camp Invention is coming to **[SITE NAME]** with the all-new 2026 program, Spark! Led by qualified local educators, rising K-6 campers will team up with friends for a weeklong adventure and hands-on exploration of the latest trends in STEM. Spark their confidence, inspire their creativity and watch your child bring their ideas to life while making lasting friendships along the way.

In partnership with the National Inventors Hall of Fame® and inspired by real-world role models, your child's week of daily inspiration begins on **[START DATE]** with **[DIRECTOR NAME]** serving as Director.

During the all-new 2026 program, curious campers will:

- Ride the waves of entrepreneurship, splash into hands-on buoyancy experiments and prototype an innovative billboard boat design
- Investigate critter crimes with robotic capybaras, create sleuthing gadgets, and unlock the power of DNA and forensic science
- Spark their innovative superpowers to protect their intellectual property against The Infringers and design a wearable device that uses cryptography
- Build their own DIY space rocket, launch a mission to transform a planet's ecosystem and make dazzling scientific observations in their space lab

**[Before and After Care — if applicable]** To make it easy and stress-free for families to sign up for Camp Invention every summer, we're so excited to offer Before and After Care options at our program site! For an additional \$100, families can fit summer fun into their busy schedule with Before and After Care from 7:30 a.m. to 5:30 p.m.

**[Spots are filling up fast and availability is limited, so visit [invent.org/mylocalcamp](https://invent.org/mylocalcamp) to secure your child's spot! or INSERT REGISTRATION INFORMATION].**
