

WHAT IS PREREGISTRATION?

Camp Invention's Preregistration Program gives districts the opportunity to begin registering campers for the 2023 Camp Invention program early.

By confirming 2023 Camp Invention program plans*, your district will unlock several exclusive benefits.

PROVEN EFFECTIVENESS

- **100%** of the schools who ran our 2022 Camp Invention Preregistration Pilot Program had campers register.
- Those who participated in our 2022 Preregistration Pilot Program had **three times more campers** signed up compared to the average Camp Invention program.

“Many of our families appreciated the **OPPORTUNITY** to preregister their children, as it made for **EASIER** scheduling of vacations and other summer activities.”

- Laura Huth (Director of Camp Invention, Bethel Park, PA)

BENEFIT #1: DISCOUNTS

Parents in your community gain access to **\$50 off the cost of registration**, our largest discount to date!

BENEFIT #2: INCREASED STIPENDS

Preregistration increases your Camp Invention program enrollment, which leads to larger staff stipends, an enhanced program experience for more children in your community and the chance for more children to participate in **engaging invention education**.

BENEFIT #3: ENRICHMENT

Offering summer enrichment is an effective way to **make a difference** in the lives of your community's children and provide them with collaborative **social-emotional learning (SEL)** activities.

BENEFIT #4: PEACE OF MIND

Preregistration removes the burden of planning for both teachers and parents by providing a **seamless opportunity** to confirm their summer learning plans ahead of time.
