

Camp Invention®

# EXTENDED DAY

## Program Overview:

Working families want our help! Extended Day is designed to meet their needs with a convenient schedule and easy-to-implement activities. Camp Invention® plus Extended Day includes:

- Extended Program Hours — The program typically runs from 7:30 a.m. to 5:30 p.m.
- All-New Activity Guide — A standalone set of hands-on activities and materials builds upon the momentum of the core modules.
- Flexible Curriculum — A combination of building, sketching, themed design engineering challenges and recess-style games is provided. This allows for customization to support the needs of each program

## How It Works:

Camp Invention provides Extended Day materials and program team stipends. The Facilitator will receive a \$500 stipend and each Assistant will receive a \$60 stipend for the week.

The host site will provide the Extended Day program team as well as the classroom space. The program team includes one Extended Day Facilitator and additional Extended Day Assistants, determined by enrollment.

**“I found that parents needed before and after care to accommodate their work schedules. Extended Day allowed campers to attend that wouldn’t have had the opportunity and parents were grateful!”**

Erin K. | Camp Director, Tuscarawas Valley Local Schools, Zoarville, OH

## Extended Day Program Team Chart:

Extended Day Participants*	Facilitator	A.M. Assistant	P.M. Assistant
Up to 10	1	1	1
11 - 20	1	2	2
21 - 30	1	3	3
31 - 40	1	4	4
41 - 50	1	5	5

The cost for the Extended Day program is \$100 per participant.\*\*

## How Many More Students Can You Impact?

- According to a recent independent survey, **67% of parents** would not send their child to a camp that matches their child’s interests if it conflicts with their work schedule.<sup>1</sup>
- **43% of parents** want or need camp hours beyond the traditional time of 9 a.m. to 3:30 p.m.<sup>1</sup>
- Data shows that Camp Invention programs offering Extended Day have gained **an average of eight more campers** than locations without extended hours.

<sup>1</sup>Meeting Street Marketing, Camp Invention Parent Research Study (August 2019).

\*LITs are not factored into the participant levels.

\*\*Extended Day is an additional cost to the Camp Invention program and does not include building use fees.
