

Invention Project®

## CUSTOMIZABLE, YEAR-ROUND LEARNING FOR GRADES PREK-8

### ENGAGE EVERY STUDENT

Invention education leverages children's natural inclination to create and guides them through the act of invention to build the mindset and skills they need to navigate life. Invention Project® is the key to bringing this transformative approach to learning to students during the school year, in an afterschool or summer learning setting.

Whether you are looking for remedial instruction, supplemental curriculum or programming to engage and excite your students, Invention Project provides developmentally appropriate experiences aligned to state standards and adapts to your district's unique needs.

#### AUTHENTIC LEARNING

- Engaging, hands-on activities promote teamwork and collaboration
- Invention education experiences that build competency in decision-making and self-management through project-based learning
- Opportunities to practice empathy and relationship skills

#### STRESS-FREE IMPLEMENTATION

- Step-by-step curriculum guide and online resources reduce prep time
- Individually packaged materials allow for hassle-free implementation and setup
- Dedicated NIHF support to answer questions and provide solutions

#### FLEXIBLE & IMMERSIVE CURRICULUM

- 32 unique experiences that adapt to your district's exact in-school, afterschool or summer learning needs
- Adaptable for individual learning styles
- Instructor-led and asynchronous learning options
