

National Inventors
Hall of Fame®
EDUCATION PROGRAMS

CELEBRATING CREATIVE COLLABORATION

Across the nation, more and more districts are powering their PreK-8 enrichment through invention education.

“It was a fabulous program and experience for our students - and teachers - during the summer! It was engaging for everyone involved and kept interest high! **We had a fantastic attendance rate throughout our summer program.**”

— Principal in Wyoming

“It was great to see **all students shine in this program**, especially for those that typically struggle academically during the regular school year.”

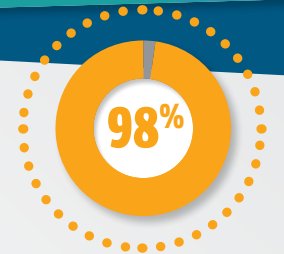

— Summer Learning Supervisor in Michigan

2,500
partnerships in 2023 and
2.6 MILLION
students reached since 1990.

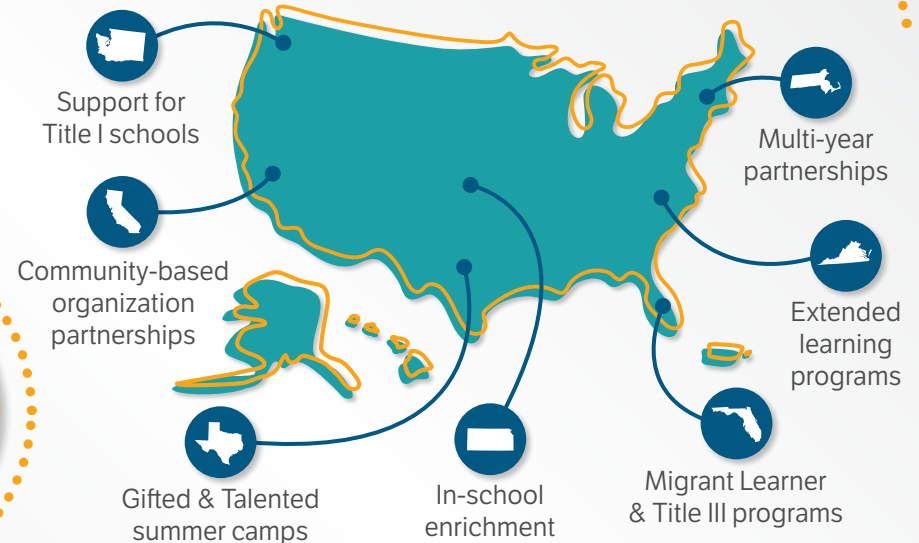

Just 30 hours of National Inventors Hall of Fame education programs result in significant short- and long-term improvements in creativity, STEM interest and problem solving.

SATISFACTION:
98% of educators' expectations were met or exceeded.
