

Camp Invention®

BEFORE AND AFTER CARE

Program Overview:

Working families want our help! Before and After Care is designed to meet their needs with a convenient schedule and easy-to-implement activities. Camp Invention plus Before and After Care includes:

- Before and After Care Program Hours — The program typically runs from 7:30 a.m. to 5:30 p.m.
- All-New Activity Guide — A standalone set of hands-on activities and materials builds upon the momentum of the core modules.
- Flexible Curriculum — A combination of building, sketching, themed design engineering challenges and recess-style games is provided. This allows for customization to support the needs of each program.

How It Works:

Camp Invention provides Before and After Care materials and program team stipends. The Facilitator will receive a \$400 stipend and each Assistant will receive a \$50 stipend for the week.

The host site will provide the Before and After Care program team as well as the classroom space. The program team includes one Before and After Care Facilitator and additional Assistants, determined by enrollment.

"I found that parents needed Before and After Care to accommodate their work schedules. Before and After Care allowed campers to attend that wouldn't have had the opportunity and parents were grateful!"

Erin K. | Camp Director, Tuscarawas Valley Local Schools, Zoarville, OH

Before and After Care Program Team Chart:

Before and After Care Participants*	Facilitator	A.M. Assistant	P.M. Assistant
Up to 10	1	1	1
11 - 20	1	2	2
21 - 30	1	3	3
31 - 40	1	4	4
41 - 50	1	5	5

The cost for the Before and After Care program is \$100 per participant.**

How Many More Students Can You Impact?

- According to a recent independent survey, **67% of parents** would not send their child to a camp that matches their child's interests if it conflicts with their work schedule.¹
- **43% of parents** want or need camp hours beyond the traditional time of 9 a.m. to 3:30 p.m.¹
- Data shows that Camp Invention programs offering Before and After Care have gained **an average of eight more campers** than locations without extended hours.

¹Meeting Street Marketing, Camp Invention Parent Research Study (August 2019).

*Leaders-in-Training are not factored into the participant levels.

**Before and After Care is an additional cost to the Camp Invention program and does not include building use fees.
