

Camp Invention®

BENEFITS OF PREREGISTRATION

WHAT IS PREREGISTRATION?

Camp Invention®'s preregistration program gives districts the opportunity to begin registering campers for the 2027 Camp Invention program early.

By confirming 2027 Camp Invention program plans*, your district will unlock several exclusive benefits.

PROVEN EFFECTIVENESS

- Camp Invention programs that participated in preregistration had an average of **26 more** campers register for the program.**
- **943 camps** took advantage of the 2026 preregistration program, resulting in **over 7,600** early camp registrations.

SIGN ON TO OFFER PREREGISTRATION FOR CAMP INVENTION 2027 TODAY!

Contact your National Inventors Hall of Fame® regional representative today to learn more about the benefits of offering preregistration for Camp Invention 2027!

REAL DIRECTORS SHARE REAL EXPERIENCES

Hear why offering preregistration benefits your Camp Invention program

*You are able to change your Camp Invention 2027 program dates and location if needed.

**Based on 2025 enrollment.

BENEFIT #1: DISCOUNTS

Families in your community gain access to **\$50 off the cost of registration**, our largest discount to date!

BENEFIT #2: INCREASED STIPENDS

Preregistration increases your Camp Invention program enrollment, which leads to larger staff stipends, an enhanced program experience for campers in your community and the chance for more children to participate in **engaging invention education**.

BENEFIT #3: ENRICHMENT

Offering summer enrichment is an effective way to **make a difference** in the lives of your community's children and provide them with collaborative learning experiences.

BENEFIT #4: PEACE OF MIND

Preregistration removes the burden of planning for both teachers and families by providing a **seamless opportunity** to confirm their summer learning plans ahead of time.
